RE: Will Serve Notice

Dear Christi:

This letter is to confirm that the proposed project Rincon Venture-Cal Republic Company in Escondido, California is within the Rate Base Area of the Pacific Bell Telephone Company serving area in the Escondido Exchange. Under its present plans Pacific Bell Telephone Company expects to be in a position to provide telephone service to applicants in the above development upon request in accordance with requirements of and at the rates and charges specified in its Tariffs on file with the California Public Utilities Commission.

This offer to provide service will terminate 24 months after the date of this letter unless both of the following first occur: 1) a service agreement is executed by the developer and Pacific Bell Telephone Company; and, 2) all charges, if required, are paid by the developer.

If you have any questions I can be contacted on (619)285-6619.

Sincerely,

Phil Stoddart
